Subject: Item 3 AC april 12 meeting-testimony
Date: Monday, April 11, 2011 1:43:40 PM

Aloha AC,
Meeting time conflicts with my responsibilities as a mom and also my work schedule.

Outreach recommendation
1. Generate a letter to community organizations (see email)
2.Hold regular, announced, subcommittee meetings with agenda posted
3. Monitor internet groups to insure transparency of subjects being discussed
4. Outreach through PTSA and community networking groups within schools
5. Create an environment that is safe and welcoming to all participants.
6. Open discussion on overlapping issues in the implementation phase and have subcommittees meet jointly to collaborate on implementation possibilities thus minimizing the tim/energy investment of stakeholders
7. Outreach to steering committee members/ working group leadership and invite them as guest speakers. They hold history of the PCDP.

Respectfully submitted,

Stephanie Bath

Two other emails have been sent as general testimony on agenda items
