

# Ka'ū Community Development Plan

Nū Hou/Update ————— September 2009

## SHARE Mana'ō About Ka'ū Community Summits Sept. 12 & Oct 17, 10am Nā'ālehu Community Center

To plan for Ka'ū's future, we first have to know everything we can about past and current conditions and trends. On Sept. 12, see work-in-progress displays of the information the CDP Project Team is collecting about Ka'ū in a number of areas, including economic development, transportation planning, environmental trends, and recreation. Help us figure out what we are missing. No hassle. Just look. Share if you want. Eat food! Come back Oct. 17 to check out updated displays that include the community's mana'ō.

### 3rd Steering Committee Meeting Sept. 8

The Steering Committee meets on the second Tuesday of the month at **5:30pm** at the **Nā'ālehu Community Center**, so the next meeting will be **Sept. 8**.

Agenda items will likely include: community issues and priorities, community values and

vision statement, preliminary community profile data and community summit preparations.

By Sept. 4, a final meeting agenda will be posted in the "Steering Committee" section of [www.kaucdp.info](http://www.kaucdp.info).

## Help PLAN for Ka'ū: "Planning Charrette" Nov. 16-21 Nā'ālehu Community Center
