

Bridges

The County of Hawaii maintains 127 bridges, which are registered under the National Bridge Inventory, administered by the Federal Highway Administration. These bridges, made of steel, concrete or wood serve the communities of Puna, Hilo, Kohala, Kona, Hamakua and Ka'u. Each bridge is 20-feet or longer; a requirement to be part of the National Bridge Inventory.

Kalopa and Pa'auilo Bridges

Weight Restriction

- * This bridge accommodates all regulation-size vehicles, including most truck-trailers.
- **This bridge accommodates all regulation-size vehicles up to six tons.
- *** This bridge accommodates all regulation-size vehicles up to ten tons.
- ****This bridge accommodates all regulation-size vehicles up to twelve tons.

OMH - Old Mamalahoa Highway

Thirty-one (31) of these bridges are wooden, some date back to the 1920's. Ten of these serve the Kalopa and Pa'auilo communities. Typically, a bridge is named after the gulch or stream it serves.
