SUBJECT: REVIEW OF THE HĀMĀKUA COMMUNITY DEVELOPMENT PLAN (CDP)

2017 APR 18 pm 3 09  
PLANNING DEPARTMENT  
COUNTY OF HAWAII

Our staff has reviewed the Hamakua CDP and noted Policy 97 which references consideration in expanding the North Hilo District to include parts of rural South Hilo (Honomu and Pepe'ekeo) to increase response times in these rural areas.

Our department reserves the right to make the final decision on such matters based on our operational requirements and requests involvement in any discussions regarding our district boundaries.

Community concerns regarding response time may be directed to our South Hilo District Commander.

If you have any questions, please contact Major Randy Apele, Area I Operations, at 961-2341 or via e-mail at [Randy.Apele@hawaiicounty.gov](mailto:Randy.Apele@hawaiicounty.gov).
