convenient for you!*

View & mark up maps of Rural South Hilo pertaining to:

- Fishing/Hunting/Surfing/Hiking, etc. – help identify popular areas; areas with access difficulties or areas you think should remain closed to the public
- Historic/Cultural Heritage – help identify buildings or places that tell the story of your community
- Public Facilities/Utilities – help identify problem areas and opportunities (roads, drinking water, wastewater, flooding, garbage/recycling, parks, schools, libraries, medical facilities, communications, energy)
- Growth Management – help identify areas that you believe should or should not be available for development
- Economic Opportunities – help identify existing or potential business establishments, existing farms, “assets” that support agriculture (things like farmers markets, incubator kitchens, irrigation systems, good agricultural land)
