

Talk Story

Our Community Talk Story Sessions will be the place to learn about Hawai'i Island Beacon Community and the **Healthy Eating and Active Living (HEAL) Grants** as well as share your thoughts about healthy living and health care on Hawai'i Island

The Hawai'i Island Beacon Community (HIBC) aims to improve health and healthcare on Hawai'i Island by using health information technology to increase healthcare quality, coordination and cost-efficiency, remove barriers and enable residents to take a more active role in their health.

HEAL Grants: HIBC has allocated \$300,000 to be awarded to organizations whose projects or initiatives support efforts to make positive changes in healthy eating habits, physical activity or tobacco use prevention and awareness for Hawai'i Island residents. Grant award amounts will range from \$3,000 to \$20,000 per project.
